During a mission to Mars, American astronaut Mark Watney (Matt Damon) is thought to be dead and abandoned. But Watney is still alive. No matter what, he must. His body has long been frozen into ice. But the spirit continues to fight. With the help of friends, relatives and even... aliens. At first glance, it's just a good movie. But it's not just a good movie. This is a film about friendship, devotion, true love and the importance of fighting to the very end. The film has some interesting surprises. One of them - . Mark Watney reminds me so much of my lover. I am very pleased that he played just wonderful in the film.
